## 1979 Chieftain

### Calumet High School

Volume 30

P-s-s-s-s-t! Got a moment? Is it special? Well, then . . .

Pass it on . . .

## A little fun, sun and past

*Wow! Look at those colors! Picturesque? You bet!* They say that this is going to be a bad winter, but you can't tell it by this beautiful fall weather. Since it was the last fling before the white stuff showed up, the students took advantage of the magic that was in the air called "Indian Summer."

Everyone "pile in" the cars and let's "head on out" to the Old Woods Mill in Hobart. Sure it's history, but who said history can't be fun?

Too bad the student body can't all be here. It certainly is a special moment.

**Above:** Trying to survive one of the pleasures of autumn, senior, Elsa Hernandez, is buried by CHS'ers.

**Above right:** A tour guide teaches sophomore Dawn Koedyker, the art of rug weaving.

By Jupiter!

## way out!

*Voyager I* transmitted breathing pictures as it passed near Jupiter in March.

A fastball? Happy feet? Kool Ade? Toothless? Tons of hot air? Grease? A broken tank? Each had a place in the spotlight and became a special moment.

Sports? Spinks beat Ali for the heavyweight bout, but Ali turned around and regained his title. Guidry of the NY Yankees received the American League Cy Young Award.

International? Pope John Paul II became the church's third pope of the year, and the first non-Italian in 450 years. The Double Eagle II was the first successful transatlantic flight. A Liberian tanker spilled 230,000 tons of oil, which aroused the voices of many conservationists.

The word you heard? The box office smash of the year was "Grease." However, the movie was ignored by the Academy of Motion Picture Arts and Sciences.

Shock? Jonestown, Guyana was the scene of a mass murder/suicide. More than 900 people in a religious cult died from Kool Ade laced with cyanide poisoning.

**Left:** Leon Spinks wins the heavyweight championship, and Pope John Paul II captures the top spot in the Roman Catholic Church.

**Above left:** Cindy Arney, freshman, reads the back flap of the motion picture soundtrack of "Grease."

**Right:** The only thing rising after the Great Blizzard of '79 is the sun.

**Far Right:** "Moving their feet to the disco beat" seniors Earl Hardy and Edris Williams dance at the Club Dimensions in Highland.

**Below:** Winter 'shut in' views soap opera on the 'old tube' during snow day.

**Bottom Right:** Shoveling snow, one of the perils of winter, sophomore Tom English demonstrates a technique common to those who survived the "Great Blizzard" of '79.

**Far Right:** "Junk Food Junkie." Sophomore Alezandra Marin "chows down" during the blizzard of '79.

## Fever? Saturday night, Sunday night, etc., etc.

*Hey, enough is enough!* We're all getting a classic case of cabin fever. The weatherman says that we have beaten the all time snow record. Listen Mother Nature, we're not really out to better our record. We are satisfied!!!

Ways to beat the snow blahs? Eating is a favorite pastime. However, it does

develop that "old spare tire" around the middle. How about disco dancing? Or better yet, roller disco?

Whatever spare time activities you might find intriguing, snow shoveling should top the list. It is good for the "middle," increases coordination and (most importantly) allows escape from the cabin.

Pass it on . . .

## Past times packed with parades, plays, prom

*The curtain rises . . .* A hush falls over the audience. "Did ya see Calumet's first play production?" And how about that homecoming parade? Ever see such a long line of decorated cars? What a special moment!

Prom was certainly a memorable occasion. Ouch! Sore feet, but worth a pinched toe.

Can you describe that feeling you had at commencement exercises? Not me. Something's over, but a whole new world is beginning.

**Right:** After fluffing flowers for weeks junior, Debbie Robbins shows why there is no homework done during spirit week.

**Below:** Members of I-HOSA await impatiently for the homecoming parade to start.

# ACTIVITIES

Above: Junior Class members capture a first place with their float entitled, "Sail to Victory."

## Forty cars 'take a ride'

*"Ladies and Gentlemen, Start your engines . . ."* The 1978 Homecoming parade was not the Indy 500, but it was the largest assembly of decorated cars in several years.

Approximately 40 cars participated in the parade. There were both organization and independent entries. The Junior Class won a first place with their

car entitled, "Sail to Victory." The Warriors beat Gary Emerson 40-6.

Merlene Vukovich, senior, was crowned Homecoming Queen during halftime festivities.

*Below: Tony North, 45, executes a running play against a Gary Emerson defense.*

## Red, white waves in week

*Ribbons, balloons, buttons and bows abound during the week of September 26 to the 29. Almost everywhere one turned, the eye could "catch" a banner, a sign, a tissue flower or a crape paper streamer proclaiming loudly an intended Warrior Victory.*

The festivities for the week included, "50's Day," "Backwards Day," "Athletic Day," and "Red and White Day."

The annual Homecoming Dance was held in the field-house foyer. M. C. Russell, traveling Disc jockey, was on hand to announce the recordings.

# Break a leg! programs held

*"Grease is the word"* the students heard in the auditorium during Spirit Week. Robert Brunn (portraying John Travolta's role in the movie) performed a lip sync to the song.

Other auditorium programs included "The Salt and Light" organization. The members discussed teenage problems along with presenting songs to entertain students on November 9.

"Sarah T., Portrait of a Teenage Alcoholic," a movie featuring Linda Blair was shown in October.

During the Christmas holiday season, the Band, Chorus and Drama departments presented a dramatization of the Nativity with vocal accompaniment.

The Great Gilvertis, an acrobatic team from Belgium, toured the U.S. and performed for the students in December.

## Gang gathers for games

Are you a very tempered person? Well if you attended the annual March Madness Fun Fair you undoubtedly went "mad," the event was held on March 21 in the fieldhouse foyer.

Ten clubs participated in the event. Participants included the Junior Class, Sophomore Class, Freshman Class, Latin Club, German Club, C-Teens, Band, Office Education Association, Athletic Boosters Club, and Indiana Health Occupation Student Association.

In addition to the regular booths, there were a few new things added. They included the moon walk and the cake walk. The Athletic Boosters also sold cotton candy and popcorn.

## Curses, foiled again!

*The Last Payment*, a musical melodrama written by the second and third hour drama classes, received a standing ovation from CHS students.

The musical, complete with a villain and a naive heroine, was presented on April 15, in the school auditorium.

Songs for the musical were selected from several Broadway musicals. Those included were "Kids," "I Can't Say No," "What I Did For Love," "Tomorrow," and "Comedy Tonight!"

**Far left:** Suzi Doherty, senior, listens while senior Doug Delaughter sings, "Oh What A Beautiful Morning."

**Left:** Senior Andre Correa, sings a tune from "The Sound Of Music" during the musical "The Last Payment."

# Grades can get ya some place

When is it possible to gather the "great minds" of Calumet all into one room? Well, once a year at least during the annual Honor Society Induction Ceremony. The event was held in the auditorium on April 25.

Twenty-eight new members were present at the affair. New inductees included 8 juniors, 5 sophomores, 15 freshmen.

Speeches were delivered by seniors Bob Schoon, president; Kim Ortman, vice president, juniors Doris Chadd, secretary and Tammy Travis, treasurer.

Mr. Robert Joseph, principal, presented certificates to new members.

Refreshments were served in the cafeteria following the candle lighting ceremony.

## Concerts held

A hush fell over the audience as the house lights dimmed and the curtain arises. Every eye followed Mr. Cruz Velasco, director, as he instructed the band to begin their first selection at the annual band concert.

During the concert, tunes from Broadway shows were featured. A trumpet and trombone trio and a saxophone quartet was featured.

During intermission, the junior band members presented the seniors with boutonnieres and roses. Also, band members presented the directors with a coffee maker, portable fan and coffee mugs for their office. After the concert Band Boosters served refreshments.

Chorus held their first concert on May 8. The program featured many soloists, accompanied by the chorus. The soloists included Toni Doyle, Marcia Cunningham, Becky Gully, Godwin Bradley, Earl Hardy, and Tony Tauber.

# Collecting our just rewards

*Food and honors* were both plentiful at the Quill and Scroll Banquet and the vocational clubs' Employer-Employee dinner.

Distributive Education Cooperative Association (DECA), Indiana Health Occupation Students Association (I-HOSA), Industrial Cooperative Education (I.C.E.) and Cooperative Office Education (COE) held their annual banquet in May.

Students presented certificates to their employers, which are area businessmen participating in the program.

Quill and Scroll held their banquet on May 14.

Awards were presented to yearbook and newspaper staff members. Jill Dayhoff, senior, received the "Post Tribune" award. Doris Chadd, junior, was presented with a Hammond "Times" plaque.

# Seniors dine at banquet

*Who has the cutest legs in the Senior Class? Why Edris Williams and Rick Simko, naturally. At least that is the award that the two students received at the Senior Banquet on May 1.*

Aside from "gag" awards, other more serious honors were presented during the evening at San Remo. Awards were presented to the valedictorian and salutatorian, the top science students, Health Occupations Students, cheerleaders and scholarship certificates from universities to class recipients.

Mr. Paul Borlick, faculty member, was the speaker at the annual affair.

The banquet was sponsored by the Senior Class and its sponsor Miss Pauline Yatsko.

## Love is in the air?

*Candlelight, corsages, dinner and dancing all helped to create a memorable evening for couples who attended the annual Junior-Senior Prom. The event was held on May 18 at the Saint Elija's Serbian Hall in Merrillville.*

The theme was, "Love is in the Air."

Juniors Jeff Welch and Dana Phipps were crowned King and Queen of the annual dance. Approximately 120 couples attended the event. Each couple was given a memory book and a glass to commemorate the evening.

The Junior Class sponsored the formal occasion. John Oaks served as Prom chairman.

"Saturday Night Special," an area band, provided music for the dance. The dinner was provided and catered by the hall.

**Left:** Jeff Welch and Dana Phipps juniors, dance the King and Queen dance at the Annual Junior-Senior Prom.

## Grads grab sheepskin

*Kim Ortman and Kathy Hodge were selected as valedictorian and salutatorian for the graduating class of 1979.*

Seniors gathered in the Chris Traicoff Gymnasium for the commencement exercises on May 20.

Precisely 293 students participated in the ceremony.

Doug DeLaughter, class vice president, presented a welcome speech. The class history was recalled by LaVerne Sanders, class president. Jill Dayhoff, class treasurer, delivered the appreciation speech. Class Secretary Barbara Banning, presented the invocation at the celebration.

Mr. Herbert Abramson, superintendent of Lake Ridge Schools, and Mr. Robert Joseph, principal, distributed the diplomas.

# CLUBS

# Being smart pays off!

*Honor Society* and Quill and Scroll have two things in common both are smart and push sweets. During the year Honor Society sold candy during both lunch hours. Quill and Scroll sponsored bake sales throughout the year.

This year was the twentieth anniversary of the founding of Calumet High School's Chapter of Quill and Scroll. The Quill and Scroll Society consists of student journalists at CHS.

Quill and Scroll held their annual banquet on May 14 at San Remo's. Awards were presented to various members of the newspaper and yearbook staffs.

Honor Society held their annual Induction on April 25 at 7:30 p.m. in the auditorium. Twenty-eight students were inducted during the ceremonies.

## Want to swap visits?

*Student Council* was involved in every major student activity. They sponsored everything from contributing to the C-Teens' food baskets to student exchange. The Council sponsored the Homecoming queen candidates. They also sponsored the Homecoming Parade, Spirit Week and the Fun Fair that was held on March 27.

For the first time Student Council sponsored a student exchange with other high schools. CHS students hosted council members from Hammond Clark. In the spring the council held elections for the following school year.

## Rappin' comes in different languages

Both French and German Clubs had floats in the Homecoming parade. French Club sponsored a dance after a football game in the fall. The French Club traveled to Calumet City, and visited the *Magic Pan* to taste the French cuisine.

The Bible Rap Club had a meeting every third week to discuss different types of religion. Many different points of view surfaced at these meetings. Catholicism, Buddhism and Protestantism were among the religions discussed.

## Scientists socialize fall to spring

*Grab that crepe paper, and fold those tissue flowers!* Both Chemistry and Biology Clubs entered floats in Homecoming competition. Chemistry Club's car was "Chemically Combined in '79." Biology Club's entry was entitled "Calumet Will Be There Fighting Like a Bear."

During the year some Chemistry Club members assisted in tornado drills at area schools. Organization members worked with the local Civil Defense on the drills.

During the winter, Jill Pena, a CHS graduate and student at Indiana University Northwest, spoke to Biology Club members concerning college courses in the science area. The former student outlined the University's requirements for students pursuing the life sciences.

Mr. Harry Richard served as Chemistry Club sponsor, and Mr. Charles Cole advised the Biology Organization during the school year.

## Press, bureau prepare publication

*Working journalists* are what members of the newspaper and News Bureau are. News Bureau staff also serve on either newspaper or yearbook. An article appears in the local papers every Friday.

Newspaper editor Jill Dayhoff has been the editor for three years. The staff sold patron ads for Homecoming, sectional and graduation. They stayed after school before every deadline.

Newspaper staffers have missed one deadline due to bad weather conditions.

# Staffers cry 'deadly' lines

*"Now I know why they call this a deadline! I'm about to drop."*

Staff members struggled to meet an early color deadline in February and a final deadline in June.

Robin Cox, senior served as editor and attended, along with junior Cathy Taylor, a summer yearbook workshop at Ball State University.

Members of the staff traveled to two seminars during the school year. One at Franklin College in the fall and one in the spring at Purdue Calumet.

New equipment added to the department included a 50mm lense and a wide angle lense.

# Oh, we love a parade!

*Practice makes perfect. An old cliche! However, when band members were not practicing songs, they were out marching in parades, raising money and competing in contests.*

They participated in the St. Joseph College Homecoming Parade, and won a first place trophy. They also marched in the Village Shopping Center's Christmas Parade and the Benton Harbor, Michigan parade.

The group participated in five halftime shows during football season. They gave a "sneak preview" of their Christmas concert to students during an assembly. They later gave their annual spring concert on May 4.

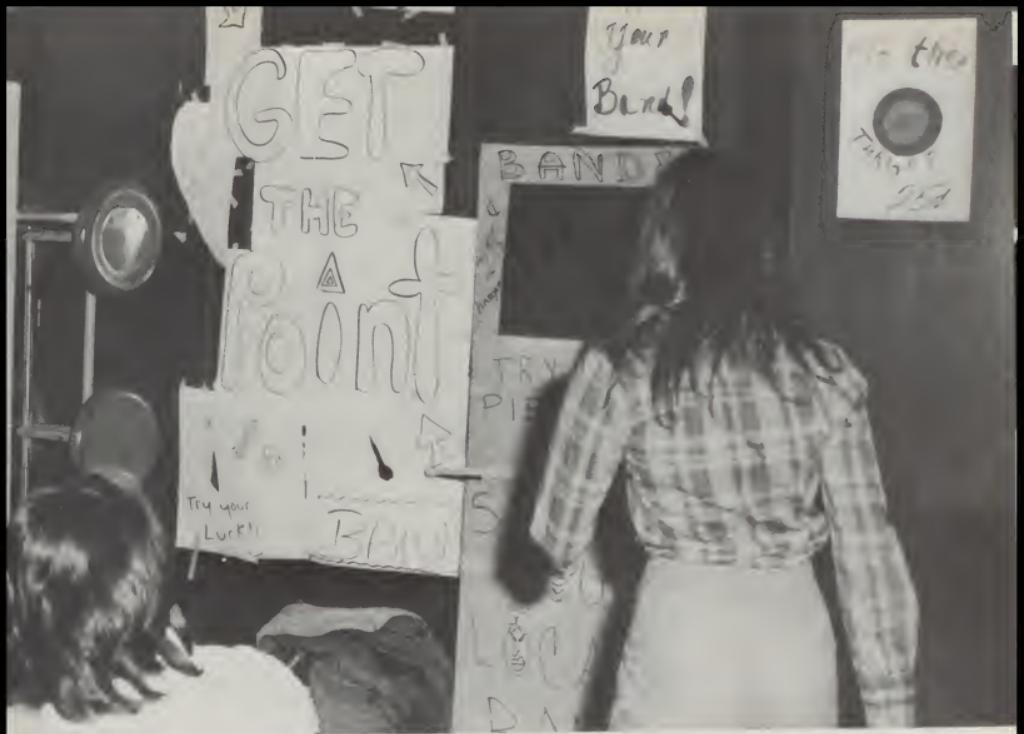

Twenty-eight members competed in a solo-ensemble contest on February 17. They brought back two gold and one silver medal.

# Hey there, step lively!

*Warriorettes and the Fancy Dancers are two groups with contemporary appeal. The Warriorettes performed with the band at all home games during the halftime. The group went to camp during the summer at Ball State University in Muncie. They won 38 first place ribbons, 18 second place ribbons, 12 third place ribbons and 4 fourth place ribbons. The group marched in the village Christmas parade. To raise money, the group held a raffle, and prizes were a box of candy and a stuffed animal.*

*Fancy Dancers entertained the public in and out of school. The group's first year as a club began at the end of October. Mrs. Dorothy Long, librarian, became the sponsor at the end of November. The group was comprised of approximately 15 members.*

# Something to cheer about!

*They've got spirit. Yes, they do. They've got spirit. How 'bout you?* The Varsity Cheerleading Squad was very active this year. They held pep assemblies to boost the teams' morale when Homecoming and sectional came around.

The squad was very active. The group sold ribbons and buttons throughout the year. They also sold hats during sectional. They held a poster contest a week before sectional.

The squad spent a week at The University of Notre Dame during June. The senior members received flowers at the end of basketball season from the other squad members and their cheerleading sponsor, Miss Pauline Yatsko.

## Cheer groups boost spirit

*Pep Club* members sold over 500 balloons during Homecoming week. A lower percentage than last year, the 140 member organization made posters during the week of sectional. Sophomore Julie Towers replaced Kim Kuiper, sophomore, when the vacancy opened on the Junior Varsity Cheerleading squad during basketball season.

The Junior Varsity Cheerleaders were chosen in April.

## Members, got the holiday spirit?

*"Tis the season to be jolly."* Many activities were happening during the holiday season. C-Teens brought cheer by delivering food baskets. Freshman cheerleaders brought their team the holiday spirit. Chorus welcomed it with a song.

Weeks before the holidays, C-Teens members called on students to bring in canned goods and toys. Vocational Industrial Clubs of America distributed the baskets.

C-Teens brought Christmas cheer at the Highland Nursing Home by caroling and visiting with the patients. Mrs. Joyce Weakland, faculty member, sponsored the group for the first time.

Another first was the Chorus spring concert without the Band.

## Clubs collect for contests

Office Education Association (OEA) and Distributive Education Clubs of America (DECA) were very busy this year. Both clubs received first and second places at the regional contests.

OEA raised money to go to regional and state competition by selling Easter bunnies, calendars, lollipops, and giant coloring books. OEA held their annual Tag Day on October 21. The club held their annual Spaghetti Supper on March 27. At the Fun Fair, OEA was in charge of the refreshments.

Robert Blair, DECA member, won first place in job interviews at regional competition.

## Organizations sponsor hearts, blood

*Indiana Health Occupations Students Association* went to Indianapolis for a youth rally in October. They sponsored the turnout and sold candy hearts for Valentine's Day. IHOSA's annual blood drive was on March 26. The blood was given to the Midwest Red Cross Unit.

VICA delivered the baskets prepared by C-Teens. Three members were regional qualifiers in the VICA Program.

Regional competition was held on April 24 at Warren Central High School in Indianapolis. Senior Don Degard placed first in the state.

## Things that go bump in the night!

*Got a ticket? Isn't life full of interesting surprises? Talk about grid-iron tournaments!*

Did you say state ranked? Those men of the mats made headlines during grappling season. And Hoosier Hysteria? These people go "absolutely bonkers" over basketball!

Lots of action at CHS. From the volleyball court to the asphalt track, teams dribbled, spiked, blocked and vaulted in competition. Hours of exhausting practice? Yea, but how sweet the victories!

## CHS gridders turn it round

*A complete "turnaround"*  
That's what this year's season has been, with much surprise to CHS fans.

The Varsity Football team went winless for two straight seasons. This year their determination came through with a bang! They not only won a game, but they ended the season with a winning record of seven wins, three losses, and defeated a strong Munster team for the first time in CHS history.

Four seniors were named to the "Post Tribune's" and "Hammond Times'" All Area Gridiron Picks. Included were Cris Moisoff, Mark Towers, Mark Brinkley, and Rick Dravet.

Also cashing in on honors was Head Coach Lou Lindinger. He was chosen "Post Tribune's" Coach of the Year.

## Grid teams 'got plans'

*"Hit that line, gridders!"* The freshmen squad was a very unusual team, according to coaches Mr. Chuck Cole and Mr. Robert Mizera. The instructors indicated that the freshmen had outstanding athletic ability and were easy to coach.

Darryl Akemon was the squad's leading scorer during the season. Darryl, with the help of his fellow teammates were instrumental in posting a winning 6-1 record. The only freshmen defeat was to Crown Point, who took conference honors.

The Junior Varsity team finished the season with two wins, six losses.

According to Coach Doug Starewicz, the disappointing record, did not reflect the talent that the team possessed.

The gridiron coaches indicated that both teams have good prospects for an effective season next year.

## Team improves their 'racket'

*The Tennis Team* posted their best record ever at CHS! They finished the season with a team record of nine wins, four losses.

Team co-captains were seniors Blair Ewen and Tony Tauber.

Blair lost only one match during the season in which he held the #1 singles position. He was also awarded "Most Valuable" of the team.

Tony was known as the "Junk Man" on the team. According to Coach Joe Starkey, he used a variety of spins which led him to receive the "Most Productive" award (winning the most games in the four years of CHS history of tennis).

An upset over Munster proved to be the most satisfying victory for seniors Jeff Markovich and Rick Hatler. Jeff and Rick served as #1 doubles partners for the 1978 season.

# Squad nets winning year

*Bump, Set, Spike.* That's the way the 1978 Volleyball Team executed "their" game. Every year Coach Laura Baird sets goals for her team and this year the group did a good job of accomplishing their goals. The Varsity ended the season with a 13-8 record.

In reviewing the team, Coach Laura Baird commented that the most dominant players were seniors Doreen Allbritten, Lisa Zimnawoda, juniors Mary Ann Gora, Donna Reed and Michelle Quaife. Michelle also received "All Conference" Honors. The coach also noted that this was one of the best blocking teams in the area.

Mrs. Martha Krop served her first year as J.V. Coach. The J.V. team finished the season with a 4-14 record.

# Jump, dunk and get that rebound

"Powerful things come in small packages" was the motto of the Boys Varsity Basketball team this year. When the "height" graduated last year, everyone thought this would be a "learning" year, but the team proved this wrong!!!

"This was the best defensive team I've ever coached," said Coach Carl Traicoff. The team put their speed to use and placed a winning season record of 15-7.

Rick Hatler, senior, was the major stand-out at the Winter Sports Banquet. He was awarded three trophies, including "Most Valuable Player", "Leading Rebounder," "Best Attitude," and he was also a "Triple Letter Winner."

Also receiving trophies were seniors Rick Simko for "Best Defensive Player" and Gene Southard for "Most Improved." Junior Sid Cross received a trophy for "Best Free Throw Percentage."

Also receiving honors was Coach Carl Traicoff as the "Coach of the Year," as voted by the Lake Suburban Conference Coaches.

## Seberger leads in rebounding

Junior Varsity improved their season record in '79, according to Coach Joe Olis.

The coach cited sophomores Eddie Keck, Brook Ewen, Tom Seberger, juniors Cisco Guerrero and Leonard Finley as the five major contributors to the squad.

According to Coach Olis, Tom Seberger ended the season with the leading rebounds. Tom averaged nine a game.

Freshman basketball players had a disappointing season. Mr. Woody Feeler served his first season as freshman team coach.

## Squad young yet effective

"Junior Power" was the key to the Girls Varsity Basketball Team. The team consisted of three seniors, five juniors, one sophomore and one freshman.

The girls accomplishments included placing second in the Holiday Tournament, and runner-up in the sectional.

Mary Ann Gora, junior, received "All Conference" Honors for her performance on the squad.

A new coach was the big story on the Junior Varsity Team. Mr. Mike Prohl served as the coach for the 1978-79 season in which the team consisted of 15 girls.

# Grapplers gain state rank during season

*"Take Down . . . Pin!!!"*  
The Varsity Wrestling Team went undefeated this year in their dual meets. Now that's an ACCOMPLISHMENT!! The wrestlers also earned the title rank of third in the state!!!

According to coach Roland Beckham, the guys were "super" as a team and they really enjoyed this year.

Those grapplers honored at the annual sports banquet were senior Mike Hall for "quickest pin"; senior Mark Towers for "Most Valuable Wrestler"; junior Bill Gibbs for "Best Mental Attitude"; junior Jim Wadkins, for "Most Improved"; and senior Keith Miller was honored for holding the most records at CHS in its history of wrestling.

# Huff, puff and pin 'em to the mat

"You win some, you lose some" was not the slogan for the Junior Varsity Wrestling Team. The J.V. went undefeated this season with a 10-0 record.

"Our overall team balance was the key to our success," commented Coach Ken Stigall. "We should also have a good turnover of J.V. Wrestlers to Varsity Wrestlers, and we should be as strong or stronger next year," he added.

Phil Werno, junior, received the "Most Valuable Wrestler" award at the Winter Sports Banquet. Receiving undefeated trophies were juniors Jeff Welch, Norm Williams and sophomore Willie Smith.

In three years the Freshmen Wrestlers have won 28 dual meets and lost only two.

This year they had another winning season. With a ten win, one loss record.

Tom Rutledge, Darryl Akemon, and Danny Taylor received plaques at the sports banquet for holding undefeated records during the season.

# Run, jump and clear the bar

*This was truly a fine year for track and field at Calumet. The Warrior cindermen ranked thirteenth in the state. Once again CHS won the sectional meet and captured the Lake Suburban Conference Championship in both the indoor and outdoor seasons.*

Seniors Rick Hatler, Bob Schoon and Billy Phillips represented CHS in the state meet. Rick and Bob competed in the high jump, and Billy Phillips participated in the high hurdles. According to Coach Randy Harkabus, the "truly fine team" captured titles in both the Calumet and Anderan Relays. They ended the season 13-2.

According to Coach Harkabus, when considering ability, sportsmanship and dedication, this is probably the finest team ever produced at CHS.

# Come on, run for that tape

The Girls Track Team was hindered by the lack of seniors on the squad. The team consisted of mostly freshmen and sophomores and only three seniors.

According to Coach Laura Baird, the dominant runners were Janice Johnson, senior, in the 100-yard dash, and junior Wendy Rumba in the 880 yard run. Both Janice and Wendy qualified for the sectional.

Janice Johnson received the "Most Valuable Player" and the "Most Athletic Senior" Awards at the Girls Sports Banquet.

# Snow melts and linksmen hit the green

*What comes to mind when you hear "fore"?* To golfers and CHS team members the term means "look out" you're in danger of being hit by a golf ball.

Most of Calumet's linksmen were underclassmen. According to Coach Tom Dakich, the team strives to achieve three things each season. They wish to have fun, improve, and to win as many matches as possible.

Although the team did not win as many matches as expected, according to Coach Tom Dakich, "With improvement, a better team can be expected next year."

Junior Robert Gilmore had the best scoring average, and sophomore Steve Bizzle was the most improved team member. Gene Southard, senior, was selected honorary captain.

# 'Holy Cow'

## what a season

*What's the big word in baseball these days? ...* Mark Brinkley!! According to Coach Dick Trcka, the senior inspired the team greatly, he was one of the best hitters on the team, and has set more records than any other player in baseball at CHS. Mark has accepted a four year scholarship to North Carolina State, where he is scheduled to compete in baseball.

Coach Trcka also added that the team, as a whole, work very well together. They developed a tough defense, good speed and improved greatly throughout the year on their hitting. Other standouts included Mike Thomas, senior, who pitched a no-hitter against Lake Central.

The Junior Varsity Team ended their season with a 0-7 record. According to Coach Ron Johnson, the team was very young and only consisted of 17 players, and 13 were freshmen.

The top hitter on the J.V., was sophomore Jeff Morris.

## Bur-r-r-r! Too Cold!

*The rain, sleet, snow and below freezing temperatures hampered the Girls Tennis Team this year.*

The girls practiced at Omni Tennis Club in Sherrillville due to the three feet of snow on the tennis courts. Being unable to practice everyday was the squad's biggest handicap.

Mrs. Martha Krop served her first year as assistant coach. Mrs. Krop competed on the Valparaiso University Tennis Team and served as the J.V. Volleyball Coach at CHS.

Receiving awards at the Girls Sports Banquet were junior Michelle Quaiffe as "Most Valuable Player," and Kim Miller, freshman, Chris Lazowski, sophomore, for winning the most matches during the season.

"Romeo, Romeo, Where  
for art thou, Romeo . . ." This is a segment of speech which came from the Shakespearean play "Romeo and Juliet." Mrs. Jacquelyn Pauley's freshman English classes had the experience of reviewing the play.

During the second semester, Mrs. Barbara Sadja's junior English classes re-enacted the story "The Minister's Black Veil."

Speed Reading and Developing Reading, two new courses, were added to the curriculum last fall.

Journalism I class had a "first hand" interview experience. They interviewed Mr. Paul Borlick, Theater Director, Jill Dayhoff, editor of the "Warrior Newspaper" and Robin Cox, editor of the "Chieftain Yearbook."

Mr. Borlick was asked questions concerning the theater and the auditorium.

The editors both discussed how they were chosen as editors. They also gave explanations on how the newspaper and the yearbook are constructed.

## Boardwalk in German?

*Monopoly* may not be a new game, but for Miss Debbie Fray's German class it is. The game is completely written in German.

In Mrs. Karen Alvarez's second year Spanish class the students held Money Day. Each Friday the classes are permitted to speak one language, and that is Spanish. If they do, they are required to pay Mexican money, which they constructed themselves.

French II and III prepared a small party for their class. Cream puffs and petits fours were provided by the students.

Mrs. Louise Vale's advanced Spanish classes made pinatas as a class project. When completed, they were on display in the Spanish room.

*"Money cannot buy happiness, and with the dollar deflating it will not even buy a grin."* This was the feeling that was expressed by senior Carl McCarthy. "Money is ..." was the title of the assignment given to Mr. Milos Karagin's second semester economics class.

Teenage Suicide and Stress was the subject of the lecture given to Mr. George Ahlgren's sociology and psychology classes by Mr. Carroll J. Hartz, Professor at Purdue University.

Mrs. Judith Silverman and Mr. Lou Lindinger combined their career education classes to focus on future jobs and different wages and earnings.

## Department's arts flourish

Beginning the first year of drama activities was undoubtedly rough. Not knowing where to begin, and there was so much to do. The year started with a live puppet show presented for the elementary schools. The Christmas Pageant was presented with the band and chorus. The year ended with the classes' own original mini-musical, "The Last Payment."

Mr. Roy Wilson's art classes sketched portraits of other students on velvet with colored chalks. Mr. Jack Seramur's students sculptured people and animals out of clay.

## Yes, it is our business!

*Hey, business world.*  
Watch out! The business courses at Calumet were filled with students eager to learn about the in's and out's of the business.

The Intensive Lab is designed like a secretarial pool. Members in this class studied the various facets of becoming a secretary-receptionist. They discussed how to answer the telephone properly, how to handle impatient visitors, as well as typing, shorthand, calculating and duplicating.

Other courses in the Business Department included typing, shorthand, accounting, general business and business arithmetic.

# Developing a winning way!

*Vocational classes* produced some winners this year. Many students from the classes participated in regional and state competition.

Health Occupations students practiced Cardio-Pulmonary Resuscitation (CPR) drills in class.

Office Education Association and Distributive Education Cooperative Association had seniors participating in regional competition. Seniors Jill Dayhoff and Robert Blair placed first in competition.

Industrial Cooperative Education (I.C.E.) seniors Don Degard and Ed Meulmans placed first. Junior Marvin Doty placed first in regional and fourth in state.

The Gary Career Center had students entered in regional competition. Senior Cris Moisoff, placed second in the commercial cooking area.

Health Occupations held their annual blood drive during March. Many students in the class assisted the Red Cross.

## Calumet student sculpt arty artifacts for fun

*Modeling sculptures* from shapeless forms of clay is a special hobby for freshman Donna Frye.

Donna began this creative hobby a few years ago when she became interested from projects in art class.

According to Donna, she enjoys the many different

and creative objects that can be sculpted from clay.

The freshman hopes to continue her hobby, and would like to begin working in other mediums such as wood and ivory. Donna indicated that she would someday like to find a market and sell her art objects.

## Elementary, my dear!

*Sherry Fultz*, freshman, is learning the A. B. C's of elementary school all over again.

Sherry has been working with elementary children for four months. She helps them with assignments and aids them in learning their A. B. C's.

The freshman assists the

elementary students every Tuesday and Thursday. She landed the position by suggesting the volunteer work to the teacher.

According to Sherry, she gets a great deal of satisfaction out of working with the children.

Sherry also participates in the school chorus at CHS.

## Donna pounds those 'ivories'

*Do, ra, mi* is more than just a scale to Donna Hershberger, freshman, as she plays her piano.

Donna's interest in playing the piano has encouraged her to continue her interest for the past four years.

She practices many classical and pop selections on her own piano, which she received on her tenth birthday.

Donna also participates in band (flute) and on the freshman cheerleading squad.

## Whirl, twirl and boogie!

*"Keep on dancing."* That is exactly what Susan Beehn, Freshman, plans for the future. Susan is currently involved in ballet, tap, jazz and disco dancing.

Susan intends to be a dance instructor or a professional dancer. She has been dancing since she was six

years old. She got the encouragement she needed from her parents. She performs at recitals every two years.

Susan explains that it is good exercise and very fun. Susan is currently involved in Chorus and Pep Club at CHS.

## Diaz's hobby 'ship shapes'

"All ashore that's going ashore, anchors away, and ships a-hoy." These familiar phrases bring one thing to mind, and that is ships.

Sophomore Rachel Diaz has a very unusual hobby. She collects paintings and models of ships, which she has been doing for one year. Rachel began collecting when she noticed some ships in a display window.

Rachel has never been on a ship, but has plans to travel on one in the future.

Besides ships, she also collects knick-knacks.

# 'String-along' fun hobby!

"I'm all tied up" is more than just a figure of speech for sophomore, Daphne Schoon.

Daphne enjoys spending her spare time working on string art. She began three years ago with a Christmas gift and pursued it as her favorite hobby. She prefers working on multicolored designs more than pictures.

Some of Daphne's other hobbies are bowling with her church's league and playing on the softball team. She also collects old seven-ounce pop bottles and does bead work.

Daphne participates in Honor Society and Pep Club at CHS.

## Soph 'stirs-up' collection

Hey diddle, diddle has the  
dish ran away with your  
spoon?

Tammy Millspaugh, sophomore, has spoons, spoons and spoons! Not the type you eat with. Tammy has been collecting spoons for four years.

Tammy's mother got her interested in her collection and soon Tammy took over the hobby. Most of the spoons are from the United States but there is a special spoon from Scotland. Her first spoon was from Indiana.

Tammy has participated in Latin Club while at CHS.

## Tami's world is whirl of twirling and trophies

*Tami Davis, sophomore,* has been twirling for eleven years. She started taking baton lessons when she was five years old. During those years, Tami has earned 49 trophies and 37 medals in various competitions.

The sophomore is a member of "Julienne's Twirling Jets." They travel around the United States competing against other teams. The team Tami twirls with has been the Indiana State Champions for the past ten years, and the regional champions (consisting of Indiana, Ohio, Illinois,

Michigan, and Kentucky) for seven years. The group has captured the national championship for two years.

Tami takes lessons four times weekly for a total of six and one half hours a week. The classes consist of Dance Twirling and Parade Core. Tami has also begun teaching a baton twirling class for beginners and a pom pom group.

She is also a member of the U.S.T.A. (United States Twirling Association), in which she hopes to travel to various countries and compete.

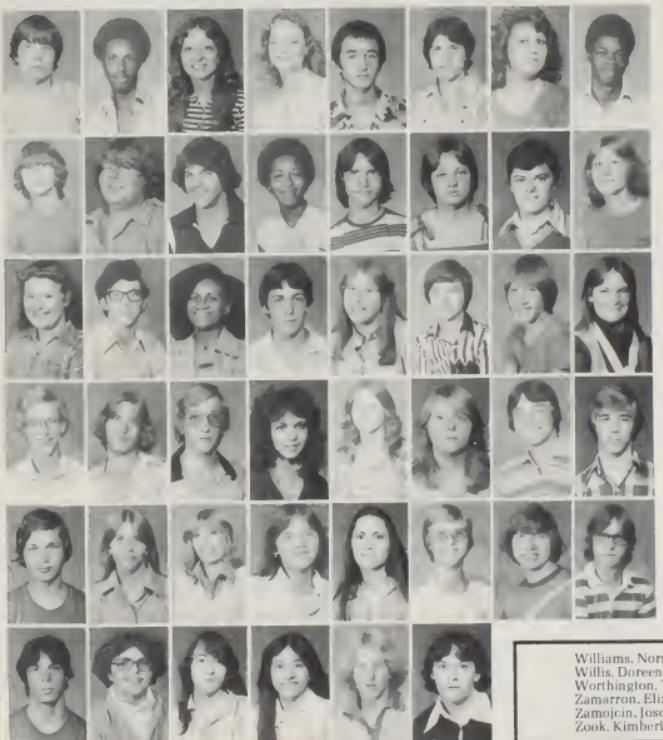

## Soph strums country/rock

Can you tell the difference between rhythm and rhyme? Well sophomore Jeff Thompson sure can. Jeff has been in a country/rock band for two years. He has written three songs.

Jeff has always been eager to entertain. Music is very much a part of his life style. Jeff practices two hours a day on the drums and an hour on the guitar. In the future Jeff wishes to be a policeman.

flying high above the sky.  
Tammy has began co-pilot-  
ing a plane over the last couple  
of summers at Lansing  
Airport.

Tammy has dreamed of  
being a pilot since she was a  
young girl. She hopes to be  
accepted in the Air Force  
Academy after graduation.  
Tammy wishes to be a test  
pilot in the years to come.

Tammy's other activities  
at CHS include Pep Club,

## Believe in 'tiny people'?

Diane Johnson, junior, began collecting "little people" on Christmas Day in 1976. A doll from Santa? No, December 25 of that same year began Diane's collection of ceramic figurines.

The fifteen items in her possession include many that play musical tunes. Among her favorites, is a statuette of a little girl wearing a pale blue evening gown with delicate pink flowers. The first in her collection, this favorite figurine plays the tune "Fascina-

tion."

The collector hopes to continue adding to her present number. Diane indicated that the figurines are something that she would like to pass down to her children in the future.

Diane also participates in Girls Track and Pep Club. The junior was also active in foods classes as CHS. In the picture at the left, Diane decorates a cake that class members presented to the basketball team during sectional week.

## Strike's good, Strike's bad

"Strike" has two meanings for senior, Bobby Schoon. Ross Baptist Fellowship and Black Oak Fellowship Churches "double up" to form a bowling team of which Bobby is a member.

Six years ago Bobby's first average was only 111, now he has an average of 141 with a handicap of 31.

Bobby also belonged to the churches' softball team since he was 15 years old.

Another hobby of the senior is building and collecting old ship models, such as the Mayflower. Bobby is also president of Honor Society and active in Cross Country and Boys Track at CHS.

## Mailman's welcome sight

*Do you have sticky fingers . . . ?* Well Senior Elsa Hernandez certainly does! Elsa has been collecting stamps for four years.

Elsa's interest began when she became fascinated by an unusual looking stamp.

Her collection includes stamps from Mexico, England, Germany, Canada, Iran, Ireland, China, Congo, Denmark, Spain, New Zealand and Thailand.

Elsa's other activities at CHS include Office Education, Pep Club, C-Teens, and Student Council.

# Batter up? Johnson's life!

Baseball, Hotdogs, Apple pie, and . . . Carl Johnson? Baseball plays a major role in Carl's life.

Last season Carl coached the Black Oak Senior League, which won first place in their division. The senior plans to attend Manchester College and hopes to participate on the baseball team, while majoring in radio and television announcing.

Carl announces the local news, weather, and sports on WGVE 88.7 FM, Gary Career Center in Gary. He also competes on the CHS Baseball team. Carl hopes of being a professional ball player.

## Tennis Is Blair's 'racket'

*"Tennis anyone?"* calls Blair Ewen, senior, as he walks onto the tennis court.

Blair has participated in tennis tournaments in Indiana, Chicago, and on the CHS team for four years.

The senior practices approximately three hours, and runs three miles a day to stay in shape.

Blair plans to play tennis in college and maybe

become an instructor when he graduates.

Blair finds playing tennis is a great way to exercise and a lot of fun.

The senior enjoys the competition and action of the sport.

Blair also participated in Pep Club, Biology Club, and Wrestling during his years at CHS.

## REACH OUT TO YOUR HORIZON . . .

Touch the goals you place there. You can. By taking all of your talents and abilities and using them properly, you can reach out, grab the future that is on your horizon, and bring it back into the present.

At Inland Steel, we want only those people who are willing to use all of their talents in order to grow in their chosen field. We realize that our future growth depends on the creativity and productivity of our people.

If you are looking for a company where your abilities provide you with an opportunity to contribute and the rewards and responsibilities that go with it, Inland would like to talk to you.

We need productive individuals for positions in clerical, production, technical and craft apprenticeship areas. If you have a desire to use all of your talents . . . and be fully rewarded for it . . . take the time to find out about a career with us.

## Dancing, playing and sailing along?

*A special moment?* Tell about an entire year in only 192 pages? Well, perhaps only the highlights!

Activities were plentiful during the year. Confetti flew, pompons shook and fingers became numb from making tissue flowers, all occurred when red and white mania struck CHS in the form of Homecoming Week.

The winter months brought basketballs swish-

ing through hoops, bottles toppling and pies in the eye at the annual Fun Fair (March Madness).

When the buds burst through on the trees, and the sweet spring aroma of lilacs filled the air, students gathered for the Prom. The evening was a mixture of wonder and excitement as girls clinched sweet smelling flowers, and danced with that "special" date.

The Warriors were certainly on the warpath! Many of the squads posted winning seasons in both girls and boys extramural athletics during the school year.

Yes, there were special moments. You Bet! We tried to pass them on.

## Tears, fears and future years!

*Hush! Listen.* The air is filled with anticipation. Rows of red and white gowns begin to file in long lines into the crowded field-house.

May 20 was certainly a special moment for 293 graduating seniors. Tears streamed down cheeks as some students wept over the solemn occasion. Pats fell on backs, as well-wishers expressed congratulations.

Graduation. That special

moment that each class will pass on to the next. A unique experience that is shared from one class to the next, and is passed along from one generation to another. A special moment? Yes, both for the individual and the group.

We wish to express our thanks to Mr. James Spasoff and Mr. Derald Ailes for their assistance in publishing this book.

**Below:** Graduate whispers an explanation as to how to capture those special moments to an underclassman.
